

**Company:** EXIM Global is a **Coffee** and **Penja pepper** distributor based in Zurich with 2 main values:  
**Quality** - our Penja peppers (black and white) are organic by default -

**Fairness** through **direct trade** (which gives more earnings to farmers, hence, improving their life condition in Penja district)

**Products:** Penja pepper is a spice desired by consumers (person, restaurant etc.) thanks to the uniqueness in its flavors: Penja pepper is a protected geographical indication (PGI) going perfectly with game, pork, beef as well as fish because of its freshness, finesse, length in the mouth and powerful taste.
